TRACK MEET, MAY 9

ALL students who are abiding by the District Code of Conduct and who are trying their best will get to go to the track meet. They will find out which events they will be participating in on Monday, May 6. Please note that there is minimal transportation to the Track Meet--we will need parents /families to take their children to Minoru Park. There is no bus transportation back from the track meet. The deadline to submit notices back to the school about transportation was May 2--we will still have a significant number of children who have not yet returned their forms, making it incredibly difficult to organize this important part of the big day. We kindly ask that all track notices be returned on Monday, May 6th. Student events will happen at different times, so children will call parents/family members when they have completed their events---they then go home for the rest of the day. Thank you---further details will be sent home shortly on Monday.

Equity, Diversity, Inclusion Calendar for May

Jewish Heritage Month

Asian Heritage Month

May 1 marked the beginning of Jewish Heritage Month, a time to celebrate the richness of Jewish culture, heritage, and history in Canada. Canada is home to the fourth largest Jewish community in the world. Jewish Canadian leaders are active in all parts of society and have helped shape the diversity found within it. Canadian Jewish Heritage Month provides an opportunity to celebrate Jewish communities from coast to coast for their valuable contributions in building a more open, diverse, and consciously more inclusive Canada for all.

May 1 also marked the beginning of Asian Heritage Month. This year's theme, Recognition, Resilience, and Resolve, embodies pan-Asian diversity and the invaluable achievements of communities of Asian descent in all parts of Canadian society. It also acknowledges their resilience and perseverance in continuing to overcome adversity throughout Canada's history. During Asian Heritage Month, we honour the significant contributions that Canadians of Asian descent have made, and continue to make, in shaping our society from coast to coast to coast. This month also provides a unique opportunity to learn more about the vast diversity of Asian cultures, languages, cuisine, arts, and more.

Parking Lot Reminders

We continue to have issues with cars parking in our drop off lane and also with double parking. As I sent home in a separate email last week--we truly need everyone's efforts in the parking lot this year. Please be reminded of the parking guidelines listed below. Thanks in advance for being part of our solution!

We have a VERY busy parking lot - both in the morning and after school.

Tips to help keep students SAFE!

- 1) Please walk to school with your child if you live close by
- 2) The drop off lane is not for parking - please drop off your child and go, making room for others. If you must stop in the loop, please **DO NOT** leave your vehicle unattended--this impacts other drivers, as well as our two school buses.
- 4) If you are a kindergarten parent or need to drop your child off at their classroom door, please park in our visitor lot or near the school and walk
5. **ALWAYS** keep your vehicle speed at a very **LOW** speed in our entire parking loop.
6. **DOUBLE PARKING IS DANGEROUS.** Please do not stop beside a car that is already parked in the drop off lane or a car parked in the parking lot--this impacts other drivers being able to leave, including some staff who may have to leave right after dismissal.

Kingswood Daily Reminders

Reminder and Thank You:

Thank you for continuing to send your children to school with water bottles. A friendly reminder that Kingswood is a “no pop” school.

Daily Health Check

SHOULD I GO TO SCHOOL TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

Students should not come to school when they are sick.

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

Dress for the Weather

At Kingswood, our students go outside each day for both their recess and outside lunch breaks. Several of our classes also go outside for learning in our Kingswood outdoor learning space. Time spent outside is important for student’s health and well being. Please ensure that your child is dressed properly for the weather---rain or shine! For our younger students, this may include an extra change of clothing to be kept at school. Now that the weather is turning sunny and warmer, a kind reminder to ensure children are “sun smart” which could include wearing light layers, sunscreen, and a hat for going outside. Thank you.
