Bert and John

Dear Parents and Students,

Welcome to Summer Learning 2022! Our staff is busy planning and preparing programs for your school-age children who are currently enrolled in a school in BC. These plans include current school district and safety protocols.

At this time, all our summer programs will be taught in-person in various schools in the Richmond School District.

There are a variety of summer programs offered, from elementary non-credit courses to secondary credit and fee-paying summer camps.

I hope you find something that is of interest and join over 4,000 Richmond school-age students this summer!

*Sincerely,
Michael Khoo
Director of Instruction*
