### **May is Asian Heritage Month and Canadian Jewish Heritage Month**

This year's theme, Recognition, Resilience, and Resolve, embodies pan-Asian diversity and the invaluable achievements of communities of Asian descent in all parts of Canadian society. It also acknowledges their resilience and perseverance in continuing to overcome adversity through Canada's history. During Asian Heritage Month, we honor the significant contributions that Canadians of Asian descent have made, and continue to make, in shaping our society from coast to coast to coast. This month also provides a unique opportunity to learn more about the vast diversity of Asian cultures, languages, cuisine, arts, and more.

**Canadian Jewish Heritage Month was officially recognized in 2018 by the Government of Canada in the Canadian Jewish Heritage Month Act . This month was also recently given a City of Richmond formal proclamation by Mayor Malcolm Brodie. Canadian Jewish Heritage month recognizes the contributions that Jewish communities have made to Canada.**
