

Kingswood's Breakfast Club is Back!

Friday, February 24, 8:00 am

Kingswood welcomes back our popular Breakfast Club. Students are welcome to join us in the gym for toast (with jam, butter, or cheese as well as some fruits. Students are expected to bring their water bottles and stay in the gym until 8:40 a.m. After they eat, there will be opportunity for some mindful movement/yoga as well. There will not be early access to classrooms or the playground. We are excited to bring this back for our Kingswood Eagles! If parents/guardians would also like to join us for breakfast club you are more than welcome to join your child(ren). Our Kingswood staff and leadership students look forward to being able to offer this community building program once again!
