KINGSWOOD IS A NUT FREE ZONE

Families--please be aware that Kingswood has several students and staff with NUT allergies. These allergies range from mild to SEVERE.

Please DO NOT SEND any type of nut products or nut butters to school (peanut butter, almond butter, cashew butter).

It has been noticed that several students have brought whole nuts--trail mix packages and nut butter sandwiches to school. Please be very mindful of the needs of our students and staff to ensure everyone's health.

Thank you very much for your very prompt attention to this matter.

PARKING LOT SAFETY REMINDERS

When cars are parked in the roundabout, district buses cannot come into the parking lot.

Please do not park on the buspad.

Parking in this corner makes it very difficult for other cars to move past. This can cause a traffic jam throughout the parking lot.

Leaving your car unattended-- or PARKED, makes it very difficult for our bus to get through and makes it unsafe for our students and families.

Let's continue to
work together
to keep our parking
lot and
drop off zones SAFE
for our
entire community.

Student and Family Affordability and Feeding Futures Fund

This past spring, the provincial government announced a renewal of one-time funds for the Student and Family Affordability Fund This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- School and course fees
- School supplies and course materials
- Fleld trips
- School-related extracurricular opportunities
- Clothing and footwear required for sports and school activities
- PAC Hot Lunches

Please reach out to Ms. Joanne Rooney @ jrooney@sd38.bc.ca if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need in order to be successful at school. Please do not hesitate to reach out if we can help.

DIVISON 10

Students who carry an Epi Pen and/or Puffer last year will receive a new form for 2024/2025 sometime next week. Please fill out both sides of the form and attach an original prescription label on the form. Parents can go to their pharmacy to ask for an extra label. Students who didn't receive a form but need one for this school year can come to the office to ask for a form. Please contact Ms. McCallum, if you have any questions.

Student Cell Phones and Electronic Devices

We acknowledge that many of our older students have personal cell phones. Please note, the district has a new policy in place for personal digital devices. Please see below.

Elementary Schools (K-7):

- Students should not have personal digital devices in their possession during the school day unless permission is granted by the supervising staff for educational purposes. This includes during recess and lunch or while outside on the playground or on school property.
- It is recommended that students do not bring personal digital devices to school.
- If students do have personal digital devices in their possession during the school day, it is expected that they will respect the learning environment within the school and classrooms and ensure that all phones are turned off from 8:40 am to 2:45 pm and they are placed securely in backpacks or in a secured cabinet in their classroom. If there is an emergency, or a student needs to call parents during the school day, the office staff will gladly assist them.
- With regards to all personal electronic devices, please note that if they are reported lost or stolen, the school cannot be held responsible. We thank you for your support in this area.

REMINDERS

As we start a new school year here are some reminders to help us settle and get back into our work and school routines:

- Pack a snack, water bottle and lunch for your child every day.
- Please pack cutlery--there will be limited available at school. We have noticed this week several students asking for utensils, please check the lunch bags to ensure forks and spoons are there!
- Students are invited in to the school at 8:40am warning bell.
 Dismissal is at 2:45pm and pick up is at the external door to your child's classroom.
- Dress for the weather. Students go outside in ALL weather (unless it is deemed unsafe).

Last year each Richmond school was provided with a sharing fridge. Our fridge is located right at the main entrance, just outside the staff room.

This year through the Ministry's Feeding Future snacks will be available again for students as needed. We will be reminding students of how to access the snacks which offers perishable (in the fridge) and non perishable options.

We aim to promote an environment where we trust our students to make mindful choices when getting a snack. We want them to be able to choose their own snack, without an adult looking over their shoulder or requiring them to ask each time they would like something to eat. We ask students to think before taking snacks and to remember why the fridge and food is there. It is to provide for those that may need the food much more than us. Having said that, please see below:

Students were reminded at our assembly today! Sharing Fridge Reminders:

- Students may come and get a snack before recess or at lunch eating timenot during instructional time
- They may choose one snack to take back to their class or outside
- Ensure wrappers and containers are placed in their appropriate bins
- Snacks are for when one needs them, not wants them and yes, some days it may be two snacks!
