## **PAC is looking for....**

An individual or group of individuals who are familiar with WHAT'S APP? Our PAC is looking into hosting a What's App group for Kingswood parents to share reminders of upcoming events and answer simple questions about dates and events that PAC is hosting.

Might this be something you are interested in or may have some time to organize and then be one of the group's administrators? Please connect with Ms Rooney via email, call the school or drop-in!

Kingswood PAC has an account with Ironwood Bottle Depot. If you are returning bottles and would like to donate the funds to Kingswood PAC--simply type Kingswood PAC into the computer, print out a label with the information and stick it to your bag of bottles. The money will placed in the Kingswood PAC account.

Thank you for your support!

# Registration Opens November 1, 2024

**RICHMOND**  
SCHOOL DISTRICT NO. 38

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2020, turning 5 in 2025. These children will begin Kindergarten in September 2025. Online registration opens on November 1, 2024. Please visit our website [Add a little bit of body text](#) for more information about our online registration process, required documents, important dates, and FAQs.

We encourage families to complete their registration within the Priority 1 registration window, which spans from November 1, 2024 to January 17, 2024, to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 7, 2025.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin.

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 6th from 6:30 - 7:30pm. A link to the Zoom is available on our District website.

Thank you and please share this information with your friends and family who have Kindergarten aged children!

## Supporting our Children

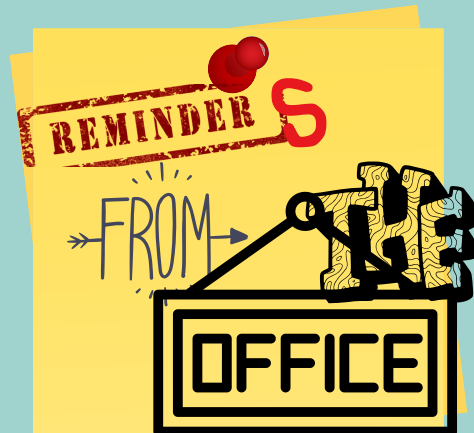

### ERASE FAMILY SOLUTIONS

If you are looking for information to learn more about how to best support your children in navigating the digital world, connect with the Ministry site ERASE (Expect Respect and A Safe Education) They offer virtual sessions on Establishing Safe, Respectful and Caring Digital Communities. Please use this link for more detailed information and to register.

A SAFE EDUCATION**

1. Please pack utensils if it is needed for your child to eat lunch and a water bottle every day. 

2. If you are dropping off lunches for your children, please label them and leave on the lunch table at the front of the office. The students will pick up their lunches

at 12:20pm.

3. If your child is absent during a hot lunch day, please arrange with the office a pickup time or the lunch will be donated to another student. The office will not make phone calls home. 

## Dress For the Weather

The chill of the fall weather is really upon us and it is much colder outside. A reminder that students will be heading outside rain, shine, cold and wet! The weather is much more tolerable when we are dressed in appropriate gear. As it will continue to be chilly and wet, please be sure to send children with a warm coat and a coat for the wet weather. Waterproof boots and shoes are also most helpful as puddles are a magnet for our youngest students.

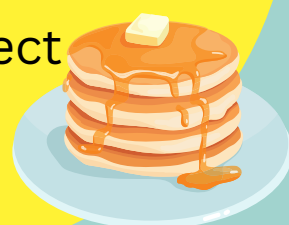

We know this request can be a lot--and we can help. If you are in need of raincoats or winter coats, hat and gloves, please reach out to Ms. Rooney via email or call the school at 604-668-6280. We can help ensure that every child is dressed for the weather.

## PAC

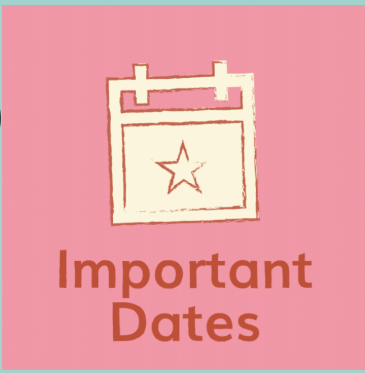

# NEEDS YOU!

Our Kingswood PAC is looking for volunteers to help weekly with organizing our hot lunches and delivering them to classrooms.

We also need help with cooking and serving for our annual pancake breakfast on Tuesday, Dec. 17th. If you are able to help out, please connect with Ms. Rooney and she will share your information with our PAC.

# KEEP YOUR KIDS SAFE ONLINE

## TCO<sub>2</sub> Presentations

Each year students in Gr. 4 - 7 participate in an online safety presentation called Taking Care of Ourselves and Others. Put on by a local organization called Children of the Streets, preventing child sexual exploitation is their goal. Check out their parent resource, [Ten Tips for Staying Safe Online](#). To learn more about child exploitation prevention see their [Resources](#) page.

## What are kids up to?

Find out the current interests and risks that kids are exposed to online, listed by age group, and how you can support and protect your child online at [Protect Kids Online](#).

## Screen Time Habits

For guidance and resources for parents wanting to teach and equip their children with healthy screen habits visit [Keep Tech In Check](#).

## Your kids are important to us!

The digital era that we are living in creates an extra challenge for parents and caregivers as we try to keep up with the technology in our children's lives. How can we teach them to be responsible digital citizens and learn how to use technology as a tool to help them learn? How to support them as they use digital media to express their creativity and engage in the entertaining aspect of technology in moderation? How can we guide them so they can enjoy all the benefits while keeping them safe online?

Read on for websites, webinars and workshops to equip yourself to help your kids.
