For all of our families: A Reminder

Lunch eating time starts at 12:20pm. **Lunch drop off should be no later than 12:15pm.** Please bring the lunch to the main office doors and an office monitor will open the door for you. Place the lunch on the lunch drop-off table and write your child's name and division on the piece of paper and place on your child's lunch.

Our noon hour supervisors and our student lunch monitors ensure that each student gets their lunch.

Refer to the Ministry of Education Guidelines for Food and Beverage. Please try to save special hot lunch meals from restaurants for home.

If a student does not have a lunch or it will be late the school can provide snacks or put a small lunch together for them.

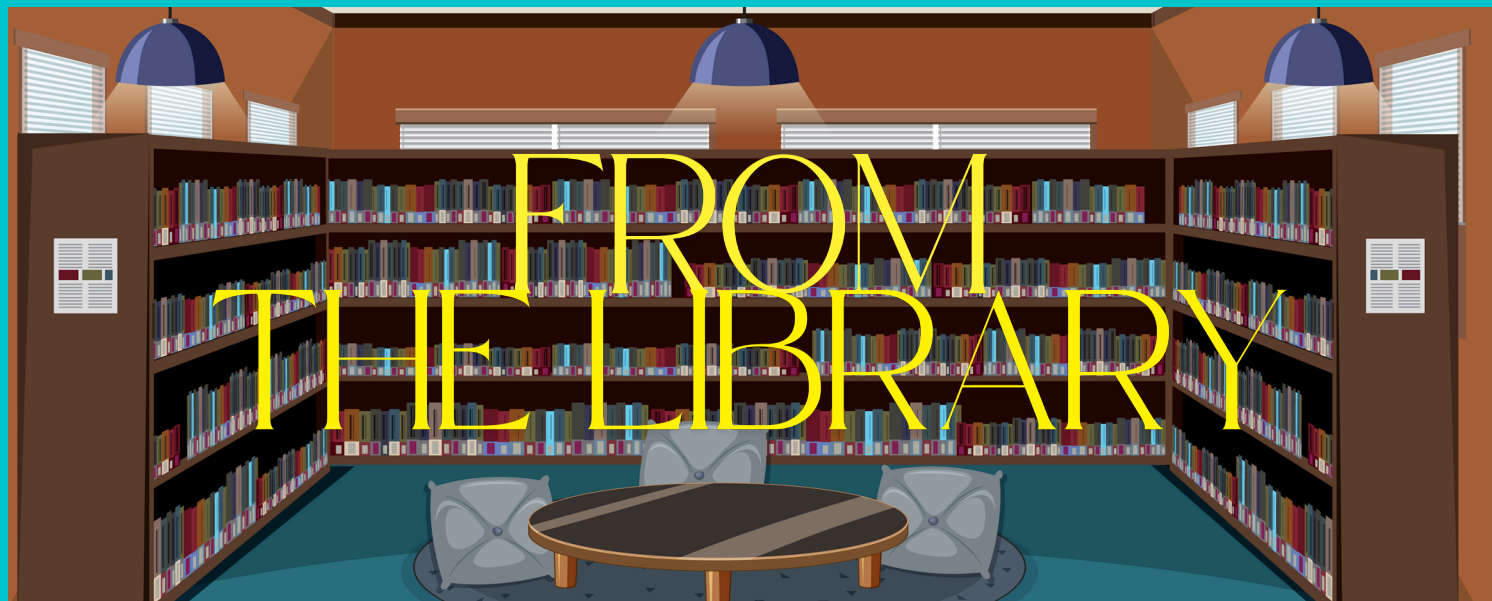

EXTENDED

ABSENCES

A reminder about The Richmond School District Policy on extended absences. If you are requesting an extended absence for your child(ren), the following applies. The District policy regarding extended absences from school state that when you are away for more than a four-week period of time or 20 continuous school days, they will be removed from the school register and will need to be re-registered when they return. The impact of this policy is that there may not be space in the school or in the classroom that your child is currently registered in. Please review the following guidelines if your child is absent from the school for longer than a four-week period of time: Your child may be removed from the school register and you will need to re-register for your catchment school upon your return to Richmond.

SNOW DAY

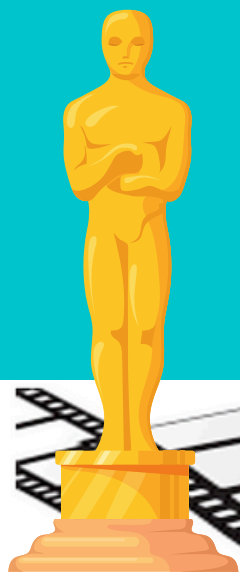

Dear families,

A wonderful enrichment activity will be coming to Kingswood in February until spring break. We will be hosting the Richmond School District's Salish Weave set. It is a collection of real artwork from various First Nations artists. Your children will be interacting with the artwork with their classes in various ways.

We are inviting all families to come view the gallery in our Learning Lab after school on Tuesdays, it will be open until 3:15. Please join us in learning about the rich culture of our First Nations peoples and continuing our journey of reconciliation together.

If the after-school times do not work with your schedule, please contact me and we can make arrangements.

Inclement Weather: School Closure Notifications

The district will try to determine school closures due to inclement weather by 6:30 a.m.

Updates will be delivered using social media and school and district websites.

No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media. To reach as many people as possible – as quickly as possible – we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools. If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to school.
