## RICHMOND SCHOOL DISTRICT NO. 38

The Richmond Board of Education creating a Strategic Plan that will guide the Richmond School District over the next five years.

As part of the development of the 2025–2030 Strategic Plan, the district is seeking input from parents/caregivers through a survey.

Additionally, there will be four open houses and a virtual session. Feedback gathered will help shape the priorities that will guide the district for the next five years.

The survey will be open until Sunday, February 23, 2025, and can be accessed here:

# PINK SHIRT DAY

Wednesday, February 26th

Wear pink and help everyone work towards anti-bullying. Pink Shirt Day started in 2007 in Nova Scotia as the response of high school students to their dismay at a fellow student being bullied just because of the colour of the shirt they were wearing. This day of recognition now is Canada-wide and throughout the world as we all work to reduce and eliminate such behaviours. Join us all in wearing **PINK!**

# FROM THE LIBRARY

Dear families,

A wonderful enrichment activity will be coming to Kingswood in February until spring break. We will be hosting the Richmond School District's Salish Weave set. It is a collection of real artwork from various First Nations artists. Your children will be interacting with the artwork with their classes in various ways.

We are inviting all families to come view the gallery in our Learning Lab after school on Tuesdays, it will be open until 3:15. Please join us in learning about the rich culture of our First Nations peoples and continuing our journey of reconciliation together.

If the after-school times do not work with your schedule, please contact me and we can make arrangements.

## LOST AND FOUND

### Inclement Weather: School Closure Notifications

The district will try to determine school closures due to inclement weather by 6:30 a.m.

Updates will be delivered using social media and school and district websites.

No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media. To reach as many people as possible – as quickly as possible – we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools. If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to school.
