STRATEGIC PLAN SURVEY

RICHMOND SCHOOL DISTRICT NO. 38

The Richmond Board of Education creating a Strategic Plan that will guide the Richmond School District over the next five years.

As part of the development of the 2025–2030 Strategic Plan, the district is seeking input from parents/caregivers through a survey.

Additionally, there will be four open houses and a virtual session. Feedback gathered will help shape the priorities that will guide the district for the next five years.

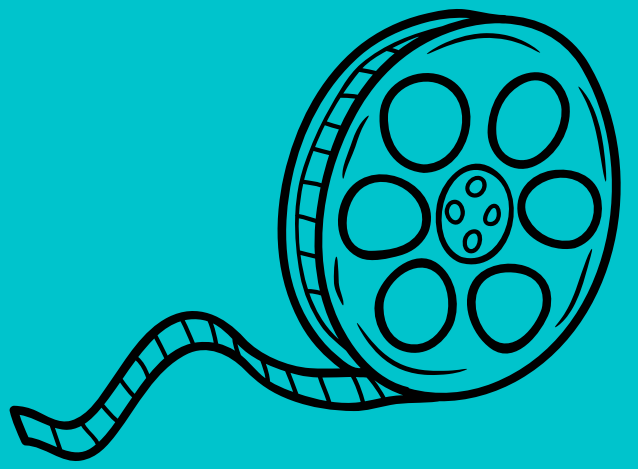

The survey will be open until Sunday, February 23, 2025, and can be accessed here:

Items from home

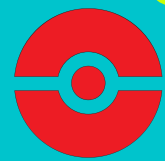

AT SCHOOL

We have noticed an increase in students bringing in many items and toys to school.

We appreciate their enthusiasm and excitement to share with their friends and we understand that sometimes they bring an item to share within their class. We are reminding students and families--**SCHOOLWIDE**--that items from home should remain in the student's backpack, unless they are sharing with their class.

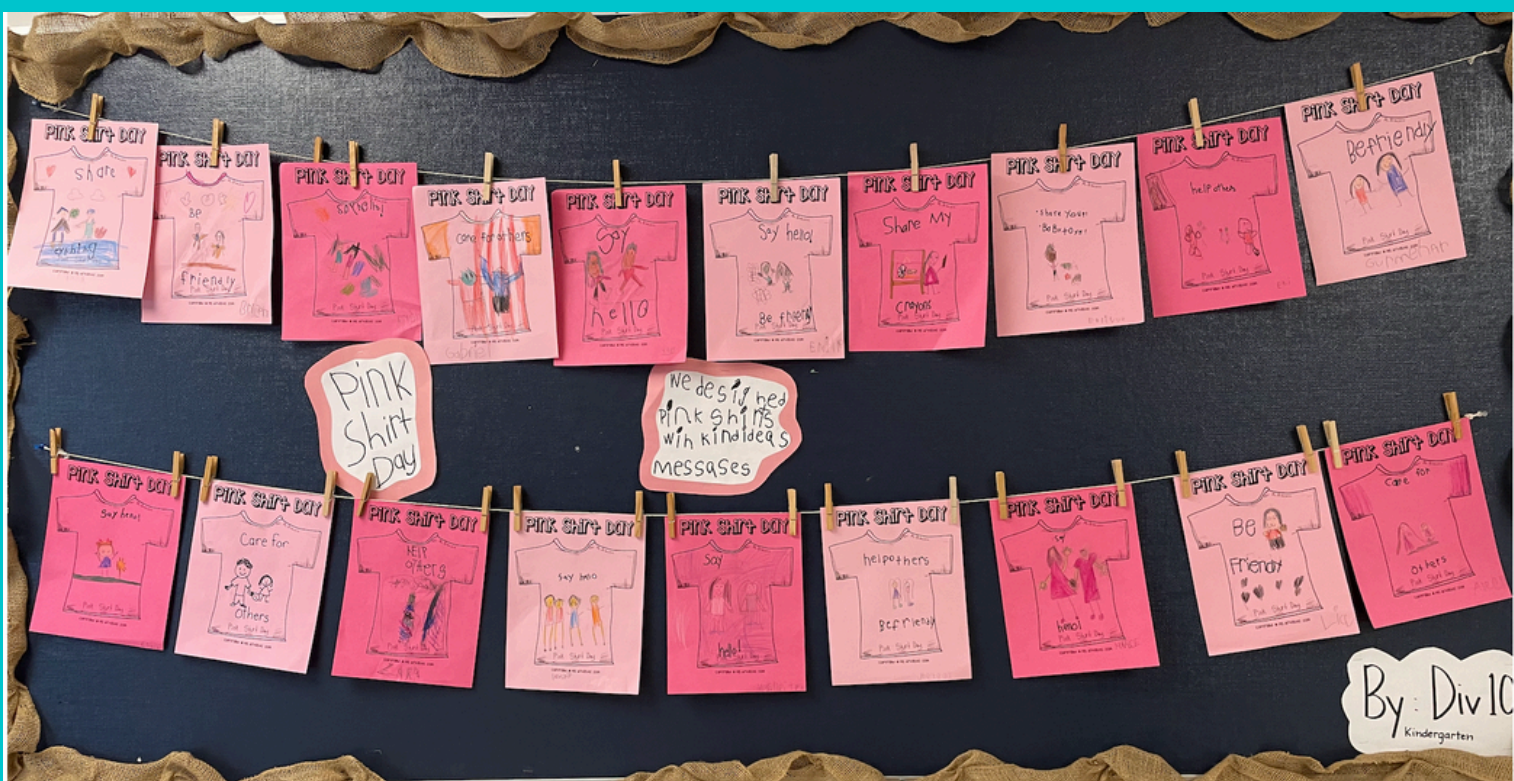

All items must remain in their backpack during recess and lunch.

POKEMON cards

Pokemon cards are now appearing at Kingswood again. As a child do you remember when the cards were super popular? We ask that all Pokemon cards are kept at home and not brought to school. If students do bring cards, a staff member will keep them safe until the end of the school day and then the cards will be sent home.

Reclaiming Play: Revitalizing Childhood to Combat Anxiety and Aggression

Parent Education Session | February 25, 2025

**PRESENTED BY HANNAH BEACH
FEBRUARY 25, 2025 | 6:30 - 8 P.M.**

Children are becoming more anxious and aggressive. The common thread? A stark decline in free play. After this session, you may never see play the same way again. Our current culture has replaced play with entertainment and structured activities. We are now seeing the emotional side effects of the loss of play in the lives of children as aggression and anxiety in young people is at an all-time high.

The research is clear: children learn and develop best through play. And yet, children are playing less than ever. In fact, this is the first generation of children that does not have a play-based childhood. The side effects? Children and youth are struggling. It has become harder than ever to lead and care for kids.

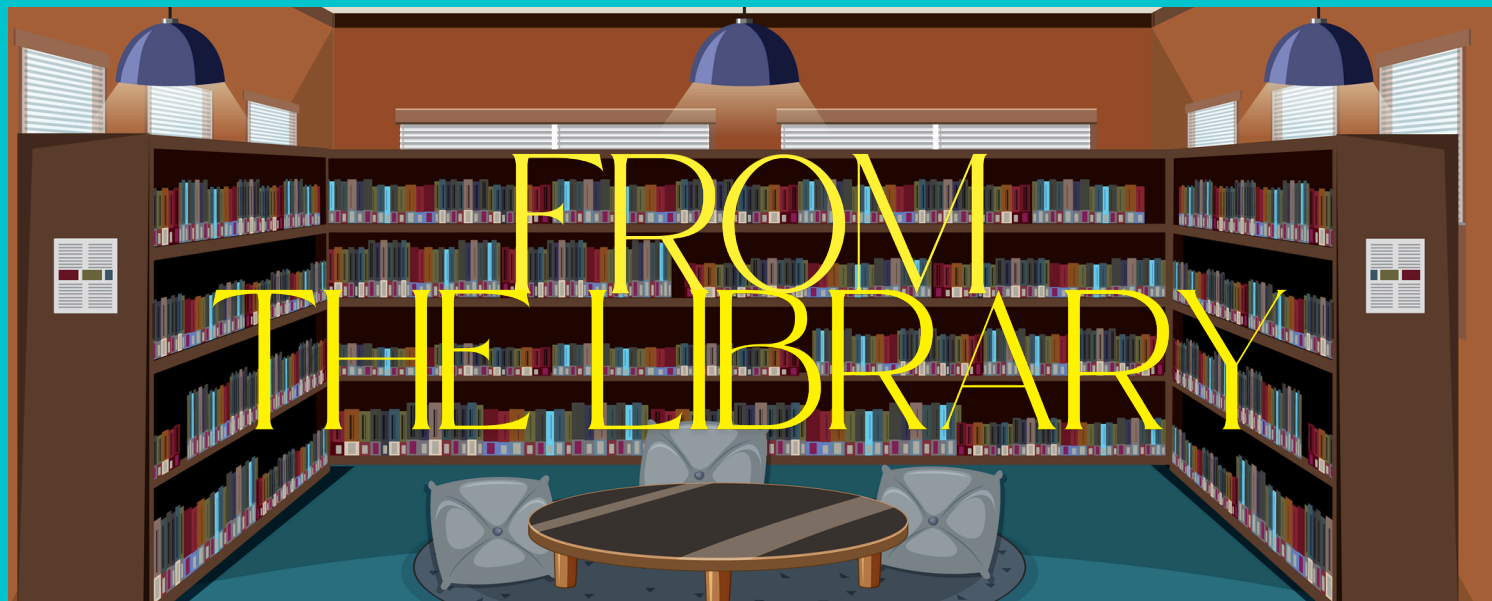

This conversation has never been more important as we look at how we can support children's emotional health and learning. We'll unpack the science behind play and how it lowers anxiety and aggression, builds resilience, and fosters social and emotional health. Little changes can have big effects. Join Hannah for a powerful workshop that will help you discover practical ways to transform your family culture and support your children in becoming their best selves.

Closed captioning in multiple languages will be available for participants.

Hannah Beach is an award-winning educator, author, emotional health consultant, and keynote speaker. She is the co-author of the best-selling book *Reclaiming Our Students: Why Children Are More Anxious, Aggressive, and Shut-Down than Ever – and What We Can Do About It*.

Hannah was recognized by the Canadian Human Rights Commission in 2017 as one of five featured changemakers in Canada. Her bestselling *I Can Dance* book series, supporting the emotional health of children through movement, play, and expression, won a 2017 Gold International Moonbeam Children's Book Award. You can find her at hannahbeach.ca.

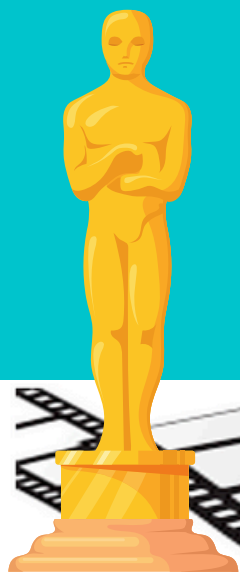

Dear families,

A wonderful enrichment activity will be coming to Kingswood in February until spring break. We will be hosting the Richmond School District's Salish Weave set. It is a collection of real artwork from various First Nations artists. Your children will be interacting with the artwork with their classes in various ways.

We are inviting all families to come view the gallery in our Learning Lab after school on Tuesdays, it will be open until 3:15. Please join us in learning about the rich culture of our First Nations peoples and continuing our journey of reconciliation together.

If the after-school times do not work with your schedule, please contact me and we can make arrangements.
