SCHOOL

GOOD
BYE!

Ms. Rooney will be saying good-bye to the Kingswood community in June this year. I will be taking a leave of absence for a year to pursue some currently unknown adventures! I hope to be able to pop in and visit. The Kingswood community is such a wonderful place to be, and has been so warm and welcoming to me. I will miss the smiles, the giggles and all of the laughter!

For those families that drop off your child's lunch and leave it on the table--we are asking you to label the lunch BEFORE you drop it off. If you have a family container or it is in a bag, please use a sharpie to write your child's name on it. If you deliver it to the table without a name, a sharpie will be waiting for you! The pieces of paper have been getting mixed up and fall off the table. Thank you for your help!

Notice of LATE RETURN SEPTEMBER 2025

If your child(ren) will be returning later than Wednesday, Sept. 3rd to Kingswood please fill out the Notice of Late Return form. A copy of this form can be picked up from Ms. McCallum in the office. Please return the form to the office at your earliest convenience.

Students who do not return to their school by Wednesday, Sept. 3 and have not filled out the Late Return form may lose their spot at the school.

This form will be available in late May 2025.

PLANNING FOR SEPTEMBER

CLASS ORGANIZATION AND STUDENT PLACEMENT 2025-26 PARENT INPUT OPPORTUNITY

June is the month when the staff spends considerable time discussing possible classroom placements of students for the next school year. Although we do not finalize classes until the first week in September, we do a great amount of preliminary thinking in June.

There are many factors that are important considerations for placing students into appropriate classes for the next school year:

A. Student considerations such as:

- a student's learning styles and strengths
- a student's degree of independence and their work habits
 - a student's age and physical maturity
 - a student's previous year's placement
- what the student can do in relation to the goals of the program
- when a child has been the youngest or the oldest in a combined classroom
 - the social and personal characteristics in a class cohort
 - the male/female balance in a classroom
 - the number of students with diverse learning needs

Please note: Over their 8 years in elementary, a student should experience a variety of settings, sometimes as the older grade in a class and other times the younger grade in a class.

B. Staff considerations such as:

- equitable teaching assignments in terms of class size and composition
- matching as closely as possible teaching style with student academic and social emotional needs

Parents, if you have information you would like us to consider when placing your child in a class for next year, please take this opportunity to submit your information to Ms. Rooney in writing (email or letter) by Friday, May 30th at 4:00 p.m. This information will be shared with teachers during the meetings that will be held to make up classes for next year.

Please Note:

- It will not be possible to consider information or requests submitted by parents in September once classes have been established.
- Please DO NOT request specific teachers – at this time we do not know which teachers will be teaching which grades next year . We work very hard to form the best learning environments for all students.

Parental requests are considered but not guaranteed.
