## From the Office

### We Are Planning For September 2026

**Kindergarten Registrations:** If you have a child turning five in 2026, please register them at the Board Office right away for Kindergarten. We are now into the Priority 2 Round of registration. Any students living in the Kingswood neighbourhood can still apply for a place at Kingswood Elementary, but as we move further towards next September, space could become very limited and chances of having a place at our school decrease. If you have a neighbour with a Kindergarten aged child, please encourage them to register today.

### **Student Absences**

If your child will be absent from school, please call the Kingswood Early Warning Line at 604-668-6220 to leave a message. Please do not rely only on an email to your child's classroom teacher telling them about your child's absence. Classroom teachers may not have the chance to access their email before school and may mark your child as absent with an unknown reason as to why they are missing from school. If classroom teachers enter a child as absent without a reason, our office staff will make a phone call home to parents to find out the whereabouts of a child. This procedure can be aggravating for parents and takes valuable time from our office staff that could be better used.

Thank-you for your understanding. Please call 604-668-6220 if your child will be absent from school.

**IF YOUR CONTACT NUMBER CHANGES, PLEASE LET THE SCHOOL OFFICE KNOW.**

## **Health Protocols and Winter Sickness**

*The Winter months always have the highest number of student and staff absences, primarily due to illness. We can work together to minimize the number of students and staff who are ill if we remember some very simple guidelines and strategies.*

- If you believe your child is coming down with a cold or the flu, keep them home until they have recovered. Your child will recover more quickly at home, and they will not make others in the school ill.*

• *DO NOT* send students to school who have a fever, or who have vomited in the last 24 hours.

• *Children who come to school sick will need to be sent home. Parents will be contacted by the school office to come to the school to pick up their child.*

## Hand Washing

• *Encourage your child to wash their hands regularly, especially before eating, after using the washroom, and after blowing their nose. At the school, we will continue to have children wash their hands multiple times each day.*

## Get the Proper Amount of Sleep and Rest

• *Have your child go to sleep at a time that gives them at least 10 hours of sleep. When our bodies are tired and 'run down' we are far more susceptible to illness.*

*Thank-you for your help to keep everyone at Kingswood Elementary safe and healthy.*

## Parking Lot Reminders

Parents, please help us make the parking lot and streets near the school safe for all members of our school community during student pick-up at the end of the day. If you are picking up your child at the end of the school day, please keep these thoughts in mind:

• in the parking lot, only stop and wait for your child in the designated drop-off/pick-up area. Do not leave your car unattended to go pick up your child at their classroom.

We need to keep the traffic circle moving to allow other parents to pick up their children.

• if you need to go into the school, use available parking spaces in our parking lot or park on King Road

• do not double-park your car in the school parking lot and leave it to go into the school – if you leave your car to go pick up your child and you are parked behind another car, the owner of the other car cannot back out of their parking spot

• drive slowly and cautiously in all areas of the parking lot - students do not always look before they cross the parking lot

• in the neighborhood, please do not block the driveways of our neighbors

Students in grades 6 and 7 have enjoyed a term of basketball. Mr. Hirayama, Mr. Leung and Javerto are coaching our Grade 6/7 Boys Team and Ms. Arnsdorf, Mr. Chang and Mr. Tang are coaching the girls team. Thank-you to our 6 coaches for volunteering their time in the morning, at lunch and after school to coach our student teams! The students have learned a lot and have played games with neighbouring schools. Our Grade 6/7 teams will play in the McNair Secondary Jamboree next Monday and Tuesday, March 9<sup>th</sup> and 10<sup>th</sup>. Kingswood families are invited to come to the tournament next Monday and Tuesday to cheer on our Kingswood Eagles.
